I've not heard anything specific about when or how to close the loop on interagency comments.

In a weekly conversation between OIRA and OP senior managers, the OIRA representative noted their concern with:

**Ex. 5 - Deliberative Process**

**Ex. 5 - Deliberative Process**

The OIRA representative noted that they heard:

Bruce,

Have you by chance heard anything from OMB on their review of our Response to Comments on the Draft Proposed FIP for Existing Oil and Natural Gas Sources on the U&O Reservation? The last we heard from Aaron Szabo was that OMB was going to meet with the interagency panel and probably get back to us this week some time.

Thanks,

Claudia
